## SANHA Pakistan Halal Certification Fee Policy:

At SANHA Pakistan, we are committed to providing reliable and credible Halal certification services to organizations seeking Halal certification. Our fee structure is designed to accommodate the size of the organization, the number of auditors required, and other factors that influence the certification process. The following outlines our fee policy:

### 1. Initial Assessment Fee:

The initial assessment fee covers the evaluation of the organization's readiness for Halal certification. This includes a review of documentation, Raw material evaluation, site visits, and preliminary Stage 1 and Stage 2 Audits. The fee for the initial assessment is based on the complexity and size of the organization.

#### **Fee (Tentative):**

- Application Cost: 15000 PKR
- Stages 1 & 2 Cost 12,000 PKR within a city and 17,000 PKR out of the city per man-day.
- Raw material evaluation.
- Under 50RM at 1000PKR/RM,
- Under 100RM 750 PKR/RM and
- More than 100 RM lump sum amount will be charged.
- Admin/Legal cost 8000 PKR
- Travelling / Accommodation Provided by Applicant

### 2. Surveillance Audit Fee:

The surveillance audit fee is payable annually for the subsequent two years following the initial certification. This fee covers the cost of surveillance audits conducted to ensure the organization maintains compliance with Halal standards and requirements. The surveillance audits assess the organization's ongoing adherence to the certification criteria.

#### **Fee (Tentative):**

Surveillance audit cost as per the above criteria

### 3. Recertification Audit Fee:

The recertification audit fee is applicable after the completion of the surveillance audit cycle. It covers the cost of the comprehensive on-site audit conducted to reassess the organization's continued compliance

with Halal standards. The recertification audit fee ensures that the organization's Halal certification is renewed and valid for the next certification cycle.

### **Fee (Tentative):**

**Annual Licensing Fee starts from 35,000**

#### 4. Fee Calculation:

The exact fees for Halal certification are calculated on an individual basis for each organization. The calculation takes into account various factors, including:

- Size and complexity of the organization's operations
- Number of locations or facilities to be certified
- Scope of Halal certification (e.g., products, services, processes)
- Number of auditors required for the certification process
- Travel and accommodation expenses, if applicable

#### 5. Transparent Cost Estimates:

We are committed to providing transparent and accurate cost estimates for Halal certification. Upon receiving a certification inquiry, we conduct a thorough assessment of the organization's requirements and provide a detailed breakdown of the estimated fees. This ensures that organizations have a clear understanding of the costs involved before proceeding with the certification process.

Please note that the fees mentioned in this policy are subject to change based on the complexity of the organization's operations, market conditions, and any additional services requested.

For specific inquiries regarding the fee structure or to receive a personalized cost estimate, please contact our Halal certification team directly. We strive to deliver exceptional value and service to organizations seeking Halal certification.
